

Dear friends and partners of Kasambira Kingdom Life Church Ministry

Greetings in Jesus' Precious Name.

My time in UK this year was a blessing to me and I trust it was to those of you I was able to meet. I visited my usual churches and had the privilege of sharing the Word of God as well as updating them about the ministry in Kasambira. I also had the joy of spending 2 weeks in the Vendee in France with my friends Anne and Neil from Corbridge. We met some lovely people, especially our host Anne-Marie and shared the Word of God and the ministry in several places. I believe this is an open door for the future so watch this space.

My leaving date next year will be May 19th. Several friends are coming from UK and we will have a final celebration on May 9th. It will be a leaving do but also celebrating my 80 years, (in advance since my birthday is not until July 23<sup>rd</sup>).

While I have been in UK the Team have continued to work well together as they always do and I know they will continue to do so. Please pray for them that they will have all the wisdom and finance needed to continue the ministry.

We have lost a few sponsors through death or a change of circumstances and we need the Lord to supply for the deficit. He always has done this in the past and I am sure He will continue to do so.

Since returning we have had a time of prayer with the School Pupils taking their Primary Leaving Exam together with their parents. This week, (11<sup>th</sup> to 15<sup>th</sup> November), they completed their exams and now await the results in late January 2020. The rest of the school are now doing their end of term exams and the school breaks up on November 29<sup>th</sup> for 2 months.

We also had a prayer time at Hope for the students and their parents and they are now doing their exams. They will break up at the same time as the school, but we continue with holiday students at Hope over the long break. The number of students have increased this year and now we are advertising for 2020 as many of them have completed and will graduate in June next year. We have several businesses that follow our results and are looking for staff which is great for our students. Many of them are able to walk straight into a job.

The churches in Kasambira and Buwenge continue to thrive and Buwenge has a few new adult members which is a great encouragement to the Pastors.

The other parts of the ministry continue. The elderly and sick receive their monthly food and will be getting meat for Christmas. We still support many children in Senior school and a few in Vocational Training as well as being there for the sick and general care of the people.

Thank you so much for supporting us in prayer, love and sponsorship,

May the Lord richly bless you.

I take this opportunity to wish you a very blessed Christmas and New Year.

Janet, Jackson, Hosea, James and Moses and all the people you help.

Bless you Janet
