

### THE PRAYER LETTER FOR KINGDOM LIFE MINISTRY (Dec 2023)

**(Now that Janet has retired this has been written by Jackson and the team)**

Hello to all our friends and supporters. Greetings to you all in the name of our Lord Jesus Christ.

We thank you all for the support you render to the work of God here in Uganda. May the almighty God richly bless you.

Generally, the Ministry is going on well by God's grace.

We are receiving a lot of rain now a days here in Uganda.

As the team here in Uganda, we continually pray for you all in the name of our Lord Jesus Christ.

However, the various departments are performing as follows;

#### **SCHOOL;**

The School is doing well. We are in our third term of the year 2023.

It opened up on the 11<sup>th</sup>/ SEPT/ 2023. The enrollment for the Pupils is 406 girls and 437 boys.

We are closing on the 24<sup>th</sup>/ November/2023.

All teaching and non- teaching staff are doing their activities well. Also grateful for their wage payments and that may the good Lord bless you all.

The Primary Seven Candidates did their National Examinations (Primary Leaving Examinations) on the 8<sup>th</sup> and 9<sup>th</sup> of November this year and they were sent off after the Examinations. They were 58 Pupils all together in number.

We hope for good results from them but please continue praying for their results to be good.

Still doing well in Sports more especially in football. We again participated up to National level. This elevated the name of our School.

**To the right shows picture of the School football Team.**

We also carry out Computer training for our Pupils. The training takes place at Hope Vocational Training Center.

**To the right shows picture of Computer Training.**

We still have a challenge of the Food prices and other commodities being up and also parents for private Pupils being unable to pay fees due to the situation. We therefore ask you all to please pray for such situation.

We ask you to please pray for more openings for the School in terms of Finance and other resources that enable the School to run.

We ask you to please Pray for our Parents / Guardians to be able to pay School fees and other Scholastic materials for their Children in the year 2024.

We ask you to please pray for finance to finish up the two class room block that was started and ended on the foundation level.

**To the right shows picture of the Foundations for this New Block**

## **HOPE;**

The Vocational School is going on well. We are in our third term of the year 2023.

The candidates sat for their Final exams (D.I.T).

We closed the term with a total number of 55 Students of which 23 were girls and 32 were boys.

The courses include Tailoring, Hairdressing, Carpentry and Motor Vehicle Maintenance

We call up on your prayers please that they perform well in those Exams.

**To the right shows picture of Motor Vehicle Maintenance**

We also ask you to pray for more students in our institute and also pray that parents are able to pay fees and other scholastic materials for their Students.

We hope to have a graduation Ceremony for our students in July next year 2024. Therefore; we call for your prayers for this please,

There is need for renovation of the computer room. Therefore, we call upon your prayers please for this to be effected.

We ask for more openings of Finance for the institute.

There is something that needs prayer and that is the 'Vocational Secondary School.' The village people are asking us to begin a Secondary School due to the quality Education we are providing at primary level. We are still debating about it. You can give us your view if possible about it and also please pray for God to give us the right direction in this.

## **CHURCH;**

The Churches are going on well both in Kasambira and Buwenge.

However, we have challenges of the Church equipment needing upgrading, financial support for evangelism, financial support for Buwenge Church building to be completed, to name it.

A need to pray for the night gathering on 31<sup>st</sup>/ December/ 2023.

## **SENIORS;**

The students being sponsored are doing well and they are thankful for the support rendered to them by you all.

Those in Senior Four sat for their Finals and therefore please pray that their results are good.

## **VILLAGE;**

The Village people on Food Aid are grateful for the support given to them.

We lost two people who have been on the Food aid. That is, Tafas and Maria. May their souls rest in Peace.

**ADMIN;**

Generally, the Ministry is doing well and all workers are performing their duties.

As the leaders, we are grateful for all the support rendered by you all. May the almighty God richly bless you.

We are ever praying for you all in our gatherings as Leaders on a monthly basis.

However, we are still experiencing hard moments as things are still up in price but we ask for more prayers please for God to help.

Another challenge is still that of the harvests not being good. Therefore, we ask for prayers please that the harvests are good such that the food prices will somehow go low.

We have the challenge of too much rain now a days and it is affecting peoples' crops. Actually we need God's help because it is as it was last year.

Please join us in prayer for Paul (Senior Pastor of New Life Church Northampton LTD) and the team as they plan to come to Uganda to visit in February Next year 2024.

We ask you to please pray for our Sponsors to be blessed and ask God to add us more Sponsors as we do the same.

We really thank you all for everything you do for us here. We love you all and always praying for you in Jesus name.

Love from the Team

**Jackson**

### **A note from Peter and Joan**

We are sorry that with Peter being unwell a lot of this year no Prayer Letter or other communication has gone out until now.

We would like to thank all of the friends and supporters for their continued support of this Ministry both in prayer and financially and for their help and support of us over the years.

We also want you to be aware that in January/February 2024 we will be moving house so **please do not send any letters to Aintree Road**. All communications should now go through the Church.

Many of you will already know that since January 2023 Sarah has taken over from me as Finance Administrator for New Life Church Northampton LTD (previously called Kingdom Life Church). This has meant that she has also looked after the Finance Administration for this Ministry as well.

We now believe that it is God's time for us to also step down from the UK administration of the Ministry and allow New Life Church Northampton LTD to take over this responsibility.

**So for more information about the Ministry please see the Ministry Web Site:**
